

Tuition and Fees

Registration Fee:

There is a \$100.00 per child as an initial registration fee when this contract is signed. The registration fee is *non-refundable* and is not applied to any child care fees. Your place in the program is not reserved until this fee is received.

Childcare Tuition:

Tuition prices displayed in the tables below are **monthly rates**. Tuition is due before the 25th of the month previous. Late fees will be applied if tuition is received after that date. Tuition payments should be made starting in July and go through April. Students are contracted to pay for the entire school year regardless of whether they attend. There is no credit for days missed based on sickness or vacation.

- Tuition is due on or before the 25th of each month. Payments may be made by credit card, check or cash.
- There is a late fee of \$10 per day for every day past the due date.
- There is a \$50.00 fee for all checks returned unpaid.
- We ask for a back-up credit card to be on file and if any payment obligation under the contract is not paid when due, Casa Castillo will charge it according to the amount due.

Fees for Extra Hours:

We offer flexibility to families and allow their child to stay late as needed. If the parent is going to be late to pick up, we ask the parent to inform the office and to pay overtime fees of \$5 per school age, \$6 per preschool, \$7 per toddler, \$8 per infant if the child is not pick up by the scheduled time. These charges will be applied to the following invoice.

Withdrawal:

If you have to leave our program before the end of the school year, for any reason, you must give at least 30 day notice in order for us to find someone else to fill your spot. This includes changing your current program, such as minimizing the number of days you attend. You must pay through the end of your current month.

Summer Semester is based on weekly enrollment and will have different pricing. Summer is set up with camps with different themes and activities each week. The weeks are flexible and you only pay for the weeks you enroll.

After-School Care for School-Aged Children

After all day at school, children need a safe place to relax, let out their energy, and enjoy their afternoon. Caregivers will work with parents to provide the ideal care for each child. We will provide a snack, assist with homework and music practice, allow children to play, create, and explore.

Caregivers will be bilingual but will only speak English when absolutely necessary. We will insist that children use the Spanish language and strengthen their vocabulary while meeting their basic needs. Children will participate daily in the Spanish Workshop Class to gain skills and specific instruction in Spanish literacy. This class will be held from 4:30-5:30 every day.

Students and families are responsible for providing transportation to the center. Please talk to us to learn of options for transportation.
